HOW IT WORKS

Corporate Nanny Placements

Employee in need of skilled and reliable childcare reaches out to bman through their employee benefits program

We discuss their childcare needs in detail and begin a search across our network of thousands of vetted caregivers.

We provide parents with a unique portfolio of top candidates and handle all admin-related tasks to hiring and onboarding a nanny.

A woman with curly hair, wearing a dark green sweater and a gold watch, is looking down at a stack of papers on a table. She is smiling slightly. Another person's hand is visible on the left side of the frame, pointing towards the papers. The background shows a window with a view of the outdoors.

ANSWERING 'WHY'

Addressing the Real Needs of Working Professionals

Why? Many parents currently navigate the intricate landscape of nanny placements alone, bearing both financial and time costs. Align your company with the growing trend of organizations addressing the needs of working parents by covering the search expenses. Elevate their well-being, boost productivity, and facilitate a seamless relocation process—all while providing a benefit that transcends the ordinary.

INTRODUCTION

The Corporate Advantage Revolutionizing Work-Life Balance

A Unique Approach to Corporate Well-being

In the relentless pursuit of excellence, corporations are redefining the standard employee benefits package. At Brooklyn Manny and Nanny, we understand that nurturing a healthy work-life balance is not just a personal need but a strategic advantage for businesses.

Our Corporate Nanny Placements program is designed to empower both employers and employees, offering a unique solution to the perennial challenge of juggling professional responsibilities with family obligations.

Our program addresses the real needs of today's workforce. By covering the cost of the nanny search process, companies provide a valuable benefit that not only enhances the quality of employees' lives but also elevates their productivity.

Join us in revolutionizing the corporate landscape, where employee success is not just measured in professional achievements but also in the ability to foster a fulfilling personal life.

A GAME-CHANGER IN TALENT ACQUISITION

In a competitive job market, every benefit matters. Providing corporate-sponsored nanny searches is not just a perk; it's a strategic move that can influence recruitment outcomes. Learn how this innovative benefit can be the decisive factor for prospective employees, setting your company apart as a leader in fostering work-life balance. After all, excellent childcare could be the key to securing the talent your company needs to thrive.
